Tips & Advice (from a student leader)

Law of Attraction

Law of attraction applies to everyone but not everyone applies it.

Find Opportunities

Find opportunity and fight for it. If you fail, find another opportunity until you succeed. When you succeed one, many opportunities will come.

Set Your Niche

Find your unique strength that people will find you in return. That's how you stand out of the crowd !

Just Do It

Don't think too much. Sometimes, #JustDoIt will give you surprise !

This NYC gathering was beyond special. Thank you to the Hesselbein Global Academy for Student Leadership and Civic Engagements students who arrived at my office sharing such wonderful stories about the 10th anniversary Leadership Summit. I cherished our time together!
